## English Bay Canoe Adventure

Experience the views of Vancouver's skyline and the North Shore mountains from an unusual perspective – from the unforgettable moments is a sunset on English Bay.

Paddle into the sunset in traditional Voyageur canoes. These classic Canadian crafts were developed in the 17<sup>th</sup> Century for the Canadian fur trade. Each can carry up to 20 passengers.

Paddling a Voyageur canoe requires a modest physical effort and provides all participants with a enjoyable environment in which to practice co-operation and teamwork.

Pull up on a beach for a smoked salmon snack. Qualified guides accompany each canoe and ensure clients comfort and explain the sights.

Experience and fitness are not required. This excursion is also available in the morning.
