# Indian Arm Sea-Kayak Therapy

## Easy sea kayaking adventure with beach BBQ

Before your next meeting take a break and practice a little sea-kayak therapy.

Only 30 minutes from downtown awaits a wilderness that few Vancouverites have visited: **Indian Arm**, a glacial ocean inlet with stunning mountain scenery.

We will pick up your clients from their hotel and take them on a spectacular ride through the rainforest on the North Shore of Vancouver.

At a small seaside community, clients board classic wooden 2-seat sea-kayaks for an easy jaunt into spectacular British Columbia scenery. Trained guides accompany guests at all time, ensure their comfort and interpret the wild life.

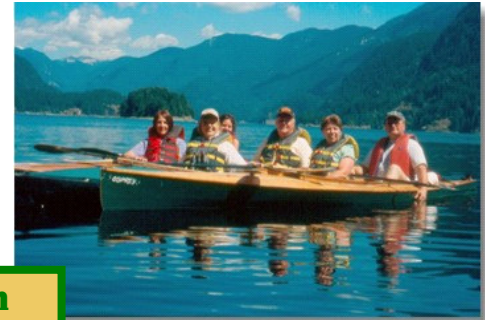

Wildlife includes harbour seals, sea stars, blue herons, bald eagles, and a myriad of other shore birds.

Highlight of the trip is a multi-course salmon barbecue served on a remote beach with great views of the inlet.

Return to Vancouver refreshed, rejuvenated and reenergized.

Experience and fitness are not required.

This trip is available for one or two groups of up to 12 paddlers each or a total of 24 participants.
