Victoria in a day

by float plane & speed boat (opt 2)

“No city is further away from Britain – yet no city is more British” Sarah Morgan

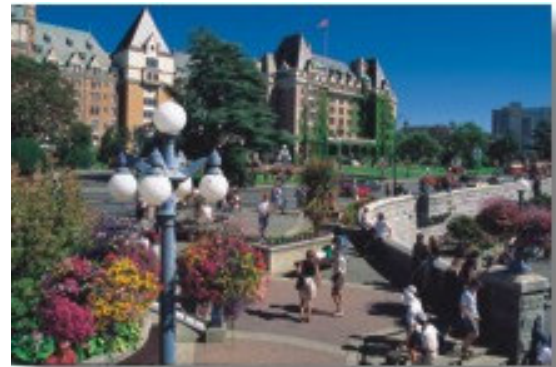

Take a float plane from downtown Vancouver to downtown Victoria over the spectacular Gulf Islands. Spend the day exploring the city and return to Vancouver in the evening by speed boat directly from the Butchart Gardens.

Victorians have a passion for gardens, golfing, and greenery – and for civility. British influence is reflected in the shops along Government Street where you can hunt for linens, china, antiques, and woolens. Dozens of tearooms offer afternoon tea with cream puffs and dainty sandwiches.

We pick you up from your hotel and take you on a spectacular float plane ride over the Gulf Islands.

Explore Victoria until about 3:00 pm when our bus takes you to the famous **Butchart Gardens**. Entrance to the gardens is included in your ticket.

Depart from the Gardens private dock directly on a 2 hour high-speed voyage to Vancouver. You will be back in your hotel in time for dinner.

Whale Watching Option

Come whale watching with us instead of a visit to the Gardens. The same boat takes you to Vancouver. \$99 extra

Season	May 27 to Sept 5
