Whistler Wilderness Whitewater

"Our "WILDERNESS WHITEWATER" trip is ideal for anyone 13 years or older looking

for an exciting wilderness whitewater experience. Although the trip features numerous Class 3-4 rapids on the Elaho and Squamish rivers, it's still suitable for everyone, including those with little or no rafting experience. The 2-3 hours on the water features lots of big waves crashing into the boats and outstanding scenery (voted best rafting scenery in Canada).

Re-energize with a barbecue after the whitewater-rafting trip before returning to Vancouver along one of the most scenic coastal highways in the world - the **Sea-To-Ski Highway**.
